“GEAR UP has been really good about reinforcing the idea that going to college is an option...This program helps them see that [college] is within their reach.”

Parent, Port Orford

“[We have seen] a dramatic increase [in high school graduation and college enrollment]. It goes back to making the kids believe, giving them the skills, teaching them the application process, educating the parents on financial aid and the FAFSA and helping out with scholarships. I think all those things have come to a focus by having GEAR UP in our school.”

Principal

“With GEAR UP, we get to visit a different college campus every year...I got to see the [OSU] campus and that really helped me figure out if that was where I wanted to go.”

Student, Yoncalla High School

“GEAR UP has been really good about reinforcing the idea that going to college is an option...This program helps them see that [college] is within their reach.”

Parent, Port Orford
“GEAR UP helps give students opportunities and it takes away the barriers of why students wouldn’t go to college.”

Student, La Pine High School

“I encourage all Oregon high school seniors and GED candidates to apply to the State’s myriad institutions of higher education during the month of November. I, Kate Brown, Governor of the State of Oregon, hereby proclaim November to be College Application Month in Oregon.”
